Declaration of Changes

Please declare possible discrepancies between the originally handed-in thesis for the examination procedure and the print/online version for publication.

Family Name, Given Name(s): _____

Titel of Dissertation:

There is no difference between the originally handed-in thesis for the examination procedure and the print/online version for publication.

I corrected spelling mistakes, status of publications or format. Hence, there are only minor discrepancies between the original version handed-in for the examination procedure and the print/online version for publication.

(In these cases, the signature of your supervisor is not necessary)

Date, Signature of doctoral candidate _____

There are discrepancies between the original version handed-in for the examination procedure and the print/online version for publication other than just corrected format or grammar mistakes. I have seen the final, corrected version of the thesis and I approve of the changes.

(In this case, the main supervisor, who has also acted as reviewer, needs to sign here)

Date, Signature of the main supervisor: _____

(if unavailable, signature of another supervisor/reviewer or the dean will also be accepted)
