

Tübingen South Africa Program 2012

Tübingen is ...

... an experience of note, not only for the visitor, but a place where one could learn about oneself, as an example for the world.

Francois

... a wonderful fantasy land and a place of dreams.

Tony

... the land of the free, the perfect Eden.

Simphiwe

... a place to be, a place to explore, I love this place

Slindile

... an experience in its own.

Svelka

... the most unbelievable, beautiful and amazing city. I love calling it home. Wunderschön!

Lala

... a whole new world.

Malan

...a beautiful city full of vast diversity and culture. I love it too much.

Matt

... absolutely amazing, a German wonderland. (absolut wunderschön und ganz fantastisch!)

Yaseen

... the best city because it is full of students and mostly foreign students. It is the best place to familiarize yourself with Germany.

Cosmos

... an amazing town that is very peaceful and clean and orderly.

Llewellyn

... the town with endless possibilities

Lesego

... incredibly amazing and it is the place to be.

Sinothile

... historical, efficient, somewhere where things work as they should.

Claud

... a town where your dreams can become reality. A real life fantasy.
