Chinese Language Opinion Pieces

This is an influential Chinese newspaper that offers in-depth analyses of economics and politics (both domestic and international). I published 24 opinion pieces in 2011-2013, and the average length of each piece is about 3000 Chinese words.

“South China University of Science and Technology: Compromise between Promises and Realities,” July 25, 2011.
“Debt Crisis Not a Prelude to US Decline,” August 8, 2011.
“China Also Should Pivot to Asia,” April 16, 2012.
“Romney’s Overseas Election Campaign,” August 6, 2012.
“Pros and Cons of Federalism,” October 14, 2013.
