Master Program “Applied & Environmental Geoscience”

Application Requirements

- a Bachelor’s degree (or equivalent) in Geosciences, Geoecology, Geophysics, Mineralogy, Physical Geography, Soil Science, Mathematics, Physics, Chemistry, Biology, Computer Sciences, Civil Engineering or a field related to environmental sciences with an overall grade (CGPA) equivalent to or better than 2,5 German grading system
- a good background in mathematics, chemistry, and physics
- English language proficiency equivalent to CEFR level B2 (e.g. TOEFL, IELTS)

NOTE: You don’t need to have completed your Bachelor degree, you can also apply if you will graduate before October.

Application Procedure

To apply please follow the online application procedure on the University's website:
https://uni-tuebingen.de/en/international/study-in-tuebingen/application-for-non-german-students/application-and-admission-of-international-students

To complete the application, you have to upload the following documents as pdf-files:
- Letter of motivation (1-2 pages) in which you state why you want to study the AEG program
- Curriculum vitae
- Bachelor certificate and transcript of records with the information about your overall grade (final or preliminary CGPA), the maximum possible and the minimum passing grade
  We need this information for the conversion of your degree to the German grading system!
- Proof of English language proficiency equivalent to CEFR level B2 (e.g. TOEFL, IELTS)
- 2 Reference letters from lecturers or professionals

NOTE: For documents in languages other than English, German or French you must provide official translations into one of these languages.

Make sure that you also send the signed application form to the specified email-address. Without this, your application can't be processed and you won't take part in the selection procedure for the program!

The application portal will open on January 15th.

Application deadline for the program is March 31st for International (non-EU) citizens, and 15th July for German and EU citizens.

Important: Students who are planning to apply for scholarships, need to be aware of the respective application deadlines, which are often one year prior to the start of the program.
