Virtual Student Guide
Bachelor of Education English

We have launched our Virtual Student Guide for the B.Ed. English, designed as an open Moodle course.

It offers a comprehensive overview of the study program with all official documents and Frequently Asked Questions for each module as well as for other concerns like changing your study program, going abroad, help with BAföG forms! The guide is interactive so that students can leave comments and feedback.

To access the guide, please click here or scan the QR code!
