Research Funding Day for Junior Researchers 2019

Venue
The Research Funding Day will take place at the Brechtbau (Wilhelmstrasse 50). After entering the building turn left to the lecture room 027 for the information market and the lecture rooms 036 and 037 for the lecture session and question rounds. You can’t miss us!

Registration desk & opening
The registration desk where you receive your name tag opens at 13:00. You are welcome to have a lunch snack and meet the other postdocs!

Your participation in the session!
We will kindly ask you to be on time for the lecture session beginning at 14:00. This is a coherent block session where any late arrivals will be only possible in exceptional cases.

We will have short presentations in order to provide you a comprehensive overview of the research funding opportunities. This will help you to strategically plan your funding applications parallel to your career developments.

Questions Rounds
After the session there will be optional question rounds with the individual funding institutions starting at 16:00. The representatives of the funding institutions will be informed about your interests and questions as stated in your registration form. The question rounds will take place in the lecture halls 36 and 37, starting with DFG and then followed by DLR and KoWi.

Individual Advising & Networking
There will be an information market with representatives from all services at the University of Tübingen providing support for Postdocs. The representatives of the funding institutions will also be available at their information desks.

Information and project wall
If you have any project information or research calls to share with others or if you are looking for project partners or work groups, we invite you to post the details to our ‘information and project wall’ which you will find at the information market.

Catering
We know what makes a day like this even better is some refreshments! Hot and cold drinks as well as snacks will be provided.

Coat/bag check
We won’t have coat/bag check facilities. Please keep your personal belongings with you.
