Dr. Otto Müller

Technology Transfer Office
Dr. Ines Dünkel
The Graduate Academy

Central service for researchers in the qualification phase

Target Groups

- doctoral candidates
- postdoctoral researchers

Tasks and Goals

Support and training for postdoctoral researchers and doctoral candidates:

1. Information and transparency
2. Qualification (Researcher Development Program)
3. Promotion of interdisciplinary networking
4. Quality assurance
Researcher Development Program

The qualification program provides support:

- during the postdoctoral orientation phase
- with strategic career planning for all postdoctoral career phases
- with developing skills for leadership positions in academia (professorships, leading a research group etc.)

Program available via ILIAS:

Certificate Program “Leadership”

- Flexible program to further develop leadership skills
- Workshops, peer coaching and individual coaching
- Next call for applications in October 2019

Center for Teaching and Learning

What we offer:

• Qualification program for teaching at university level in cooperation with all other universities in the federal state of Baden-Württemberg. Different formats, e.g. workshops and online courses.

• Support in all concerns of teaching and didactics in higher education, for example special teaching methods or e-learning.
Center for Teaching and Learning

• Expert advice on the arrangement of a teaching portfolio.

• Peer coaching – open dialogue on teaching at university, especially for PostDocs.
