Platform 4
Education – Society – Norms – Ethical Reflection

Thomas Potthast (Spokesperson)
Matthias Bornemann (Scientific Coordination)
(http://www.uni-tuebingen.de/de/46203)
Platform 4
Education – Society – Norms – Ethical Reflection

Aims

• Cross-sectional collaborations in research among the humanities and social sciences
• Perspectives and forms of research following the strategy of Research – Relevance – Responsibility
• Research networks and collaborative research projects
• Networking between all platforms: place for reflection on (applied) research, science and social relevance at the university
