CMFI Early Career Research Program

Questionnaire for the statement of the CMFI host

Please answer the following questions in the form of a 1 - 2-page expert opinion.

1. Do you know the applicant personally or have contacts at his/her current institution?
2. How do you assess the applicant's scientific career and previous scientific achievements?
3. How would you rate the quality of the key publications named by the applicant?
4. How do you evaluate the applicant's submitted research proposal?
5. To what extent have you or others been involved in the development of the research proposal submitted by the applicant? What overlaps will there be with other work in your research group?
