How to register for a Corona rapid test at Bären Apotheke Tübingen

1. Go to the pharmacy’s booking system, using the following link: [https://www.corona-schnelltest-tuebingen.de/](https://www.corona-schnelltest-tuebingen.de/), and click on “Jetzt Termin vereinbaren” on the right.

2. Select “Buchung kostenloser Schnelltest – Teststrategie des Bundes” and click on “Weiter”.

3. Now you can select the day and time of your test by clicking on your preferred day in the calendar on the left and selecting a time in the list on the right. Days with available appointments are shown in green, the selected day is framed in red. Please keep in mind that you can only get your test 5 days after your arrival at the earliest. After selecting a day and time, click on “Weiter” at the bottom of the page.
4. Enter your personal data using the address of your hall of residence here in Tübingen. Set a reminder for your appointment via email, ranging from 1-12 hours, 1-6 days, and 1-2 weeks. The information on the form translates as follows:

Tick off the second and third box, but not the first one. Now you can submit your data by clicking on “Weiter”.
5. On the next page, you will be asked to check if the day and time of your appointment and your data is correct. If you want to change the day and/or time of your appointment, click on the red calendar symbol below “Terminauswahl” and follow steps 3-4 once again. If there is an error in your personal data, click on the red pen symbol below “Daten” and repeat step 4.

If everything is correct, click on “Kostenpflichtig Buchen” at the bottom of the page. Please note that the button will say “kostenpflichtig” even if your test is free of charge (as you can see in the last line).

6. You will now get an email with a confirmation of the location of the pharmacy and the date and time of your test. Don’t delete this email, you will be asked to show it when you get to your appointment!
