Guide: How to filter specific courses in English from Alma

1. Visit Alma [https://alma.uni-tuebingen.de/](https://alma.uni-tuebingen.de/) (You do not need to be logged in!)

2. Click on “Studies offered” and then “Search for courses”

3. Click on the lens “Show all possible search criteria”

4. Choose English as the teaching language

5. Continue to click on “Select” at the Organizational unit
6. Now all the different faculties will show up

7. Decide on the **specific faculty** or **department for a more precise search** and click both of the boxes – Example: **Department of Philosophy and Media**

8. Click on “Carry over selection”

9. Press the Search button

10. Now you have a list including only the courses in English in your specific faculty / department.
