# Doctoral program: International comparative research on education and education policy in welfare states

### Facts, figures and data

#### **Funding by the Hans-Böckler-Foundation**

1st period: 2009 – 2012
2nd period: 2014 – 2017

Coverage with 11.000 Euro p.a. for the

- yearly conference
- expert workshops, trainings
- publication of conference proceedings

Supervision and scientific advise by:

Prof. Josef Schmid, political science

Prof. Karin Amos, educational science

Prof. Josef Schrader, educational science

Prof. Ansgar Thiel, sociology of sport

Cooperation with:

#### **Structure and content**

Interdisciplinary, research-based curriculum and organisation of annual conference

Regular colloquia, teaching experience and specially tailored workshops with (inter-) national experts e.g. on

- theory and multi-methods
- expert knowledge
- key competences

Supervision and scientific advise by network members

Prof. Herbert Altrichter (University Linz)

Prof. Michael Dobbins (University Frankfurt)

Prof. Ronald Rogowski (UCLA/NYUAD)

Prof. Alexander Wiseman (Lehigh University)

### **Key research themes and questions**

## International comparison of national education systems

- Claudia Christ: Causes and forms of decentralisation and educational governance in an OECD comparison.
- Noreen Krause: How do international rankings measure scientific outcome of universities?
   Impacts and side effects.

## Governance structures and constellations of stakeholders in education and education policy

- Irina Bohn: Exploring formal and non-formal media education practices in schools: a stake-holder analysis.
- Natalie Hartmann: Constellation of external and internal stakeholders at schools. Analysis of stakeholder and their interests in Baden-Wuerttemberg.
- Younes Qrirou: German/Arab higher education institutions' partnerships: Opportunities, challenges and prospects in the dialogue of civilizations.
- Alexander Raev: Transnational knowledge transfer and institutional building in higher education: between foreign policy objectives and global higher education governance.
- **Ilze Skuja**: Adult education policy for the maintenance of employability of older employees.

# Interdependence of education, social and labour market policy

- Lisa Damaschke: The Europeanization of educational poverty policy on the local level.
- Marie-Christine Fregin: Youth labour market transitions in Europe: the impact of institutions and education on inequality.
