
Financial Econometrics - Practical Class

Wednesday 8.30-10.00 a.m., PC-Lab, start: 22nd October 2008

Ilias Pasword: cochrane08

First and second session: Introduction to Gauss

Following sessions: Assignment sheets

You have to hand in exactly **2** assignments: One before the Christmas break, one afterwards.

→ **assignments will be graded and will make up 30% of the final grade**

Assignments that are handed in for grading include:

- A running Gauss code for the tasks
- A pdf-file that includes the results (graphs or/and tables) and a short description and interpretation of the results and their background (app. 2 pages).

Assignments have to be handed in before the next session via mail to:

Franziska-Julia.Peter@uni-tuebingen.de

Assignments can be handed in alone or in groups of no more than 2 students
