

Application¹ for the admission to the Master's Thesis in the Study
Programme

M. Sc. – Mathematical Physics (StPrO 2017)

Student ID number: _____
Last name: _____
First name: _____
Preliminary title of the thesis: _____
Name of the supervisor: _____
Second examiner (suggestion): _____
Starting date: _____

I hereby apply for the admission to the master's thesis in the degree programme Master of Science – Mathematical Physics. I declare that I comply with the requirements for the admission to the master's thesis as listed in the exam regulations (StPrO), in particular with §8 StPrO BT. Moreover, I declare according to §16 (1) StPrO AT that I have never lost the right to take an exam and have never failed a piece of module-specific assessment without the option to re-sit in the Master's programme or in an equivalent degree programme. Finally, I declare that I am currently only involved in an examination process in the following equivalent degree programmes (§11 (2) StPrO AT): _____.

Tübingen, _____
Signature of the student

Acknowledgment of the supervisor

I hereby acknowledge to supervise the thesis with the preliminary title as stated above.

Tübingen, _____
Signature of the supervisor

Approval by the head of the board of examiners

Tübingen, _____
Signature of the head of the board of examiners

¹The application has to be handed in to the Board of Examiner (Prüfungsausschuss) via the Examinations Office (Prüfungsamt Mathematik).
