## **Platform 4**

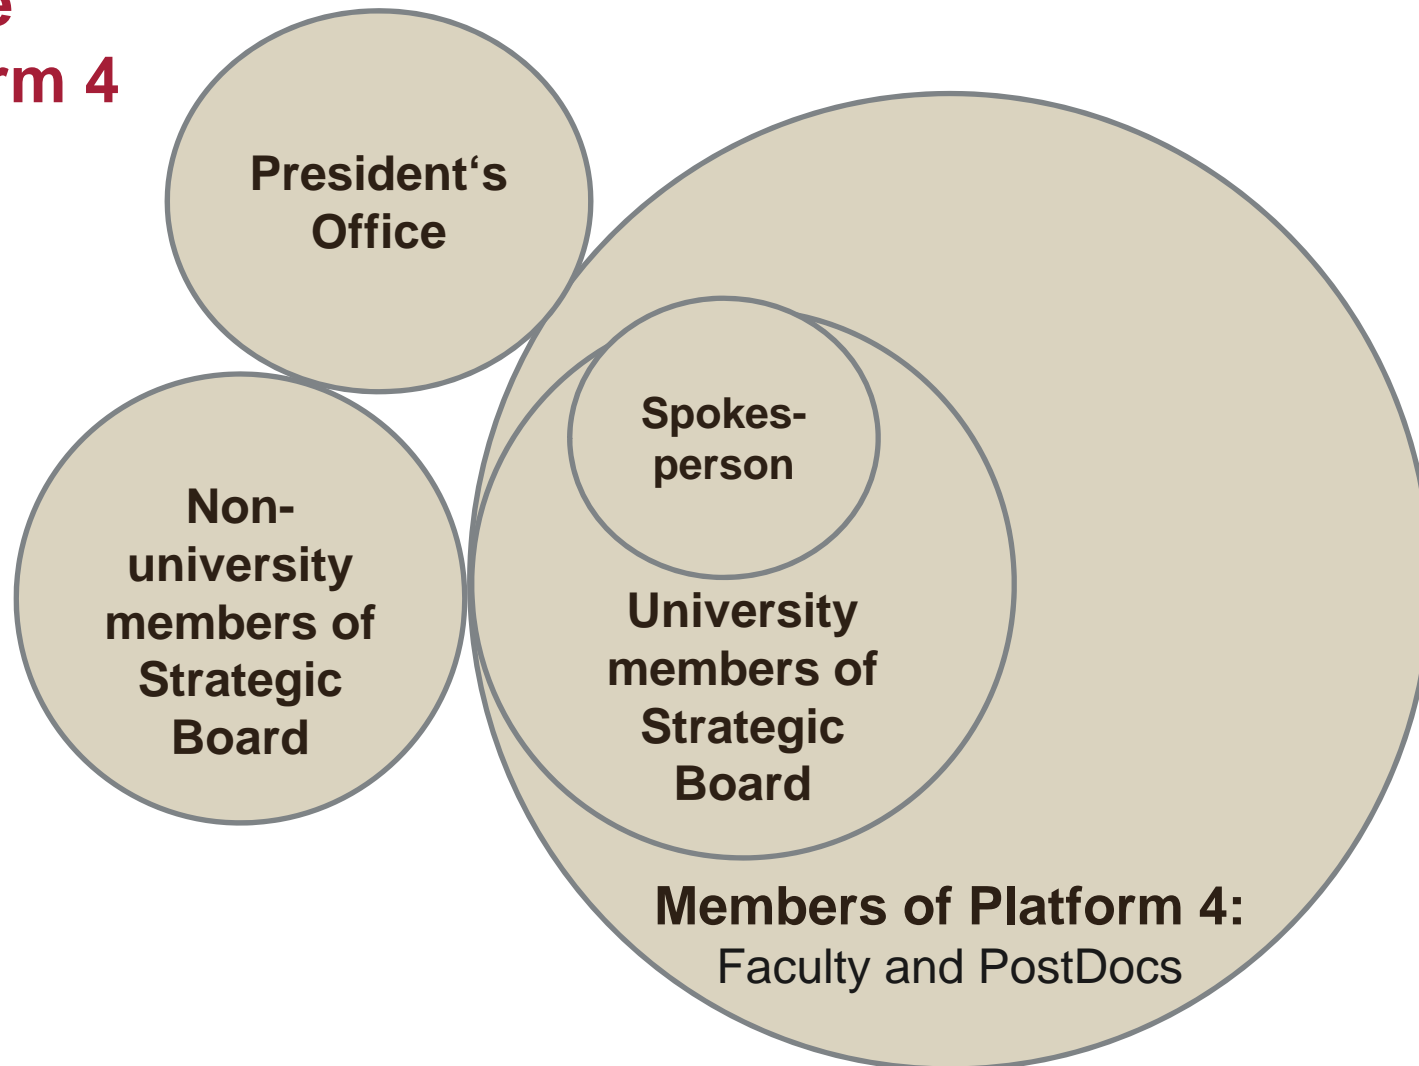

### **Education – Society – Norms – Ethical Reflection**

#### **Aims**

- Cross-sectional collaborations in research among the humanities and social sciences
- Perspectives and forms of research following the strategy of Research – Relevance – Responsibility
- Research networks and collaborative research projects
- Networking between all platforms: place for reflection on (applied) research, science and social relevance at the university

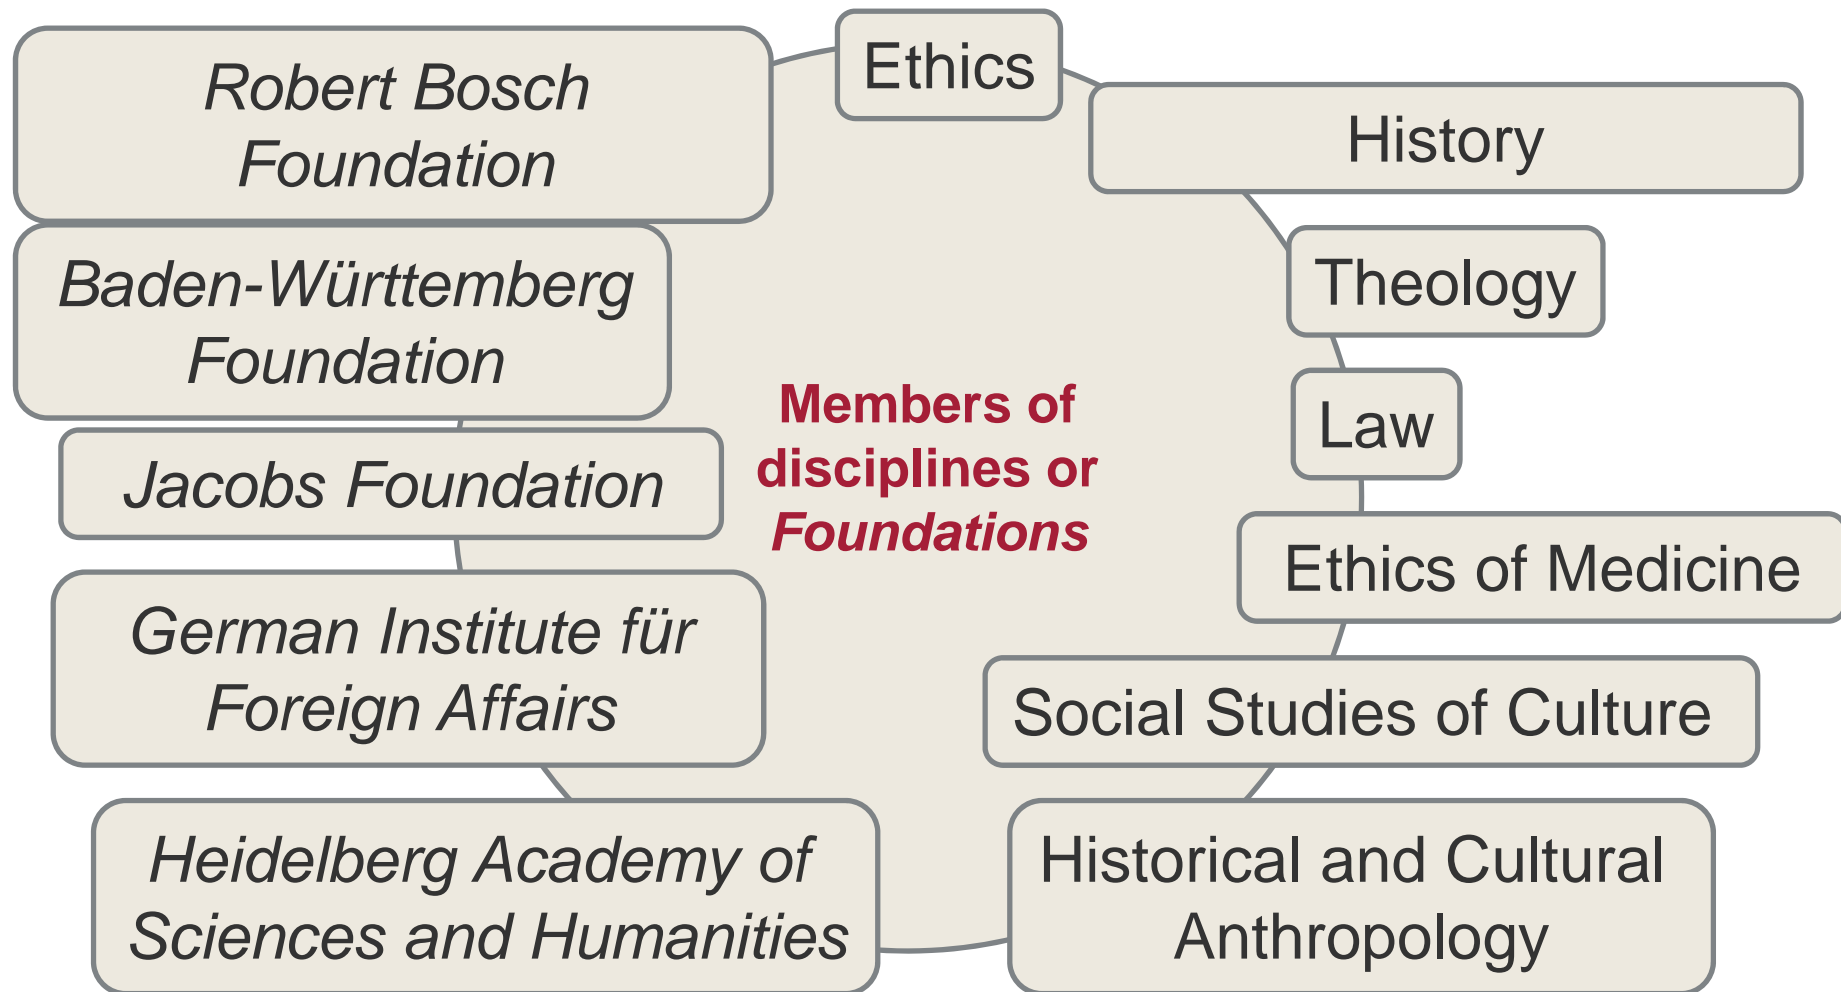

## Structure of Platform 4

## Core of Platform 4: Strategic Board

## Involved Faculties and Departments in Tuebingen
