13:30-14:30 (20 min x 3)	Experimental Models: Mental models & Eye movements Talk 4: Stefan Schneider, Institute of Cognitive Science, Uni Osnabrück Talk 5: Katharina Wendler, CITEC, Uni Bielefeld Talk 6: Luke Tudge, Berlin School of Mind and Brain, Humboldt Uni
14:30-14:45 (15 min)	Coffee Break
14:45-15:45 (20 min x 3)	Neuroimaging Approaches: MEG, EEG, tDCS, fMRI Talk 7: Adham Elshahabi, Uni Klinikum Tübingen Talk 8: Philipp Schroeder, Uni Klinikum Tübingen Talk 9: Susan Wache, Institute of Cognitive Science, Uni Osnabrück
15:45-16:00 (15 min)	Coffee Break

16:00-17:00 (20 min x 3)	Perception & Action: Pointing, Gestures and Mirror Neurons Talk 10: Sonja Cornelsen, Uni Klinikum Tübingen Talk 11: Farina Freigang, CITEC, Uni Bielefeld Talk 12: Fabian Schrod, Cognitive Modeling Group, Uni Tübingen
17:00-18:00	Final Discussion (Kai Vogeley, Martin Butz, Stefan Kopp, PhD Organizers) Collected Q&A session

The symposium will take place at the Max-Planck-Haus on the Campus MPI Tübingen.

The Campus MPI Tübingen includes the Max Planck Institutes for Biological Cybernetics, Intelligent Systems and Developmental Biology. You can find it on Spemannstrasse 35-41, 72076 Tübingen.

<https://goo.gl/maps/YP93o>

If you come from the train station Tübingen, you can either take the Bus Number 4 towards WHO (Waldhäuser-Ost) and get off at Correnstrasse, then walk up the stairs on the opposite side, or the Bus Number 3 towards WHO (Waldhäuser-Ost) and get off at Sternwarte.

After the symposium we will go out together to downtown Tübingen for nice drinks and food.

We have reserved a nice place here at 7 pm: <http://www.schlosscafe-tuebingen.de/>
