Companies' Introductions

KOTRA is a state-funded trade-investment promotion agency which facilitates South Korea's export economy. It has overseas offices in over 80 countries worldwide, including three offices in Germany, located in Frankfurt, München and Hamburg.
Introduced by Dina Zlatina (Alumni)

LG Chem is a leading global chemical and advanced materials company headquartered in South Korea with a branch in Frankfurt and other locations globally. It operates in various industries, including petrochemicals, energy solutions, advanced materials, and life sciences.
Introduced by Alina Schmidt

Alumni's Introductions
