

## <CIN – Board for the Advancement of Women (BAW)>

# „Learn to Lead“

**Leadership is an essential and important quality. It is a skill that can be learned and be improved with practice. As a leader you have to keep your own position, to discuss with colleagues, to find solutions – accepted by both sides. Learn how to work with people of different functional backgrounds and conflicting groups to achieve your goals. Get your team motivated and willing to follow you !**

This course is especially for **Group leaders and Post Docs – Women & Men!!**  
Please state your position in the CIN. Remaining places may be available to PhD students.
