

Global Citizenship micro-credential

Upon successful completion of the course, you can earn the 'Global Citizenship' micro-credential, demonstrating to the world that you've developed the skills to tackle complex global issues. You will also become apart of the 117,000+ Global Common Purpose Alumni network made up of students, emerging and senior leaders from across the world.

Course Information and how to apply!

The Global Citizenship course consists of up to 9 hours of asynchronous learning across 3 weeks and can be completed at your own pace.

You will have access to a interactive platform to guide you along your journey and connect you with peers from across the Matariki network. The programme consist of 3 short assessments to help you articulate your learning.

Please scan the QR code to apply or click [HERE!](#)

If you have any questions about the programme please email students@commonpurpose.org

Matariki Network Partners

The Matariki Global Citizenship Programme is an experiential, 3-week, online course. It brings together Matariki Network peers from Australia, Canada, Germany, New Zealand, Sweden, UK & USA. As a result of the course you will:

Gain skills and competencies needed to thrive in the 21st century

Equip yourself to take rapid action on the Sustainable Development Goal you are passionate about.

Build your networks

Be better-equipped to operate across hierarchies

Be better-prepared to live and maintain integrity and values

Be ready to challenge preconceptions and better-inform people's perspectives
