

Colombian-German

Network for Research
and Innovation

Our Purpose

- ✓ BioGeCo is the strategic partner for researchers to advance science and innovation projects between Colombia and Germany while showcasing their societal impact.
- ✓ BioGeCo is the benchmark for international cooperation networks, and science diplomacy between Colombia and other countries, aiming to contribute to the Sustainable Development Goals in the regions.

The BioGeCo Network

-  **IDENTIFIES** researchers working on science and innovation projects between Colombia and Germany,
-  **CONNECTS** them to develop new proposals together,
-  Supports its project **MANAGEMENT** with a transdisciplinary approach, and
-  **DISSEMINATES** their results highlighting its impacts on the Sustainable Development Goals of both countries.
