

1st Thesis Advisory Committee Meeting (1st year)

During the first TAC meeting the doctoral candidate and the TAC members critically discuss the thesis proposal and make suggestions for changes, if needed.

This is to certify that the doctoral candidate _____ has presented her/his thesis proposal to the members of her/his Thesis Advisory Committee (TAC).

Please use the box on page 2 for comments/suggestions made by the TAC during the meeting.

Tübingen, _____
Date

The doctoral student should return the signed form to the GRK Office (Dr. Petya Georgieva, Interfaculty Institute of Biochemistry, Auf der Morgenstelle 34, 4th floor, Room 4D26) immediately after the meeting.

The TAC Members have the following comments and suggestions to the thesis proposal (e.g. timeline, experimental approach, methods, etc.)

A large, empty rectangular box with a thin black border, occupying the majority of the page below the introductory text. It is intended for the TAC members to provide their comments and suggestions on the thesis proposal.

2nd Thesis Advisory Committee Meeting (2nd year)

During the 2nd TAC Meeting the doctoral student gives a progress report on her/his project and supplementary doctoral training. Any scientific/personal problems and potential solutions should be discussed during this meeting. The project timeline/scope should be evaluated and adjusted, if needed

Please use the box on page 2 for comments/suggestions made by the TAC during the meeting.

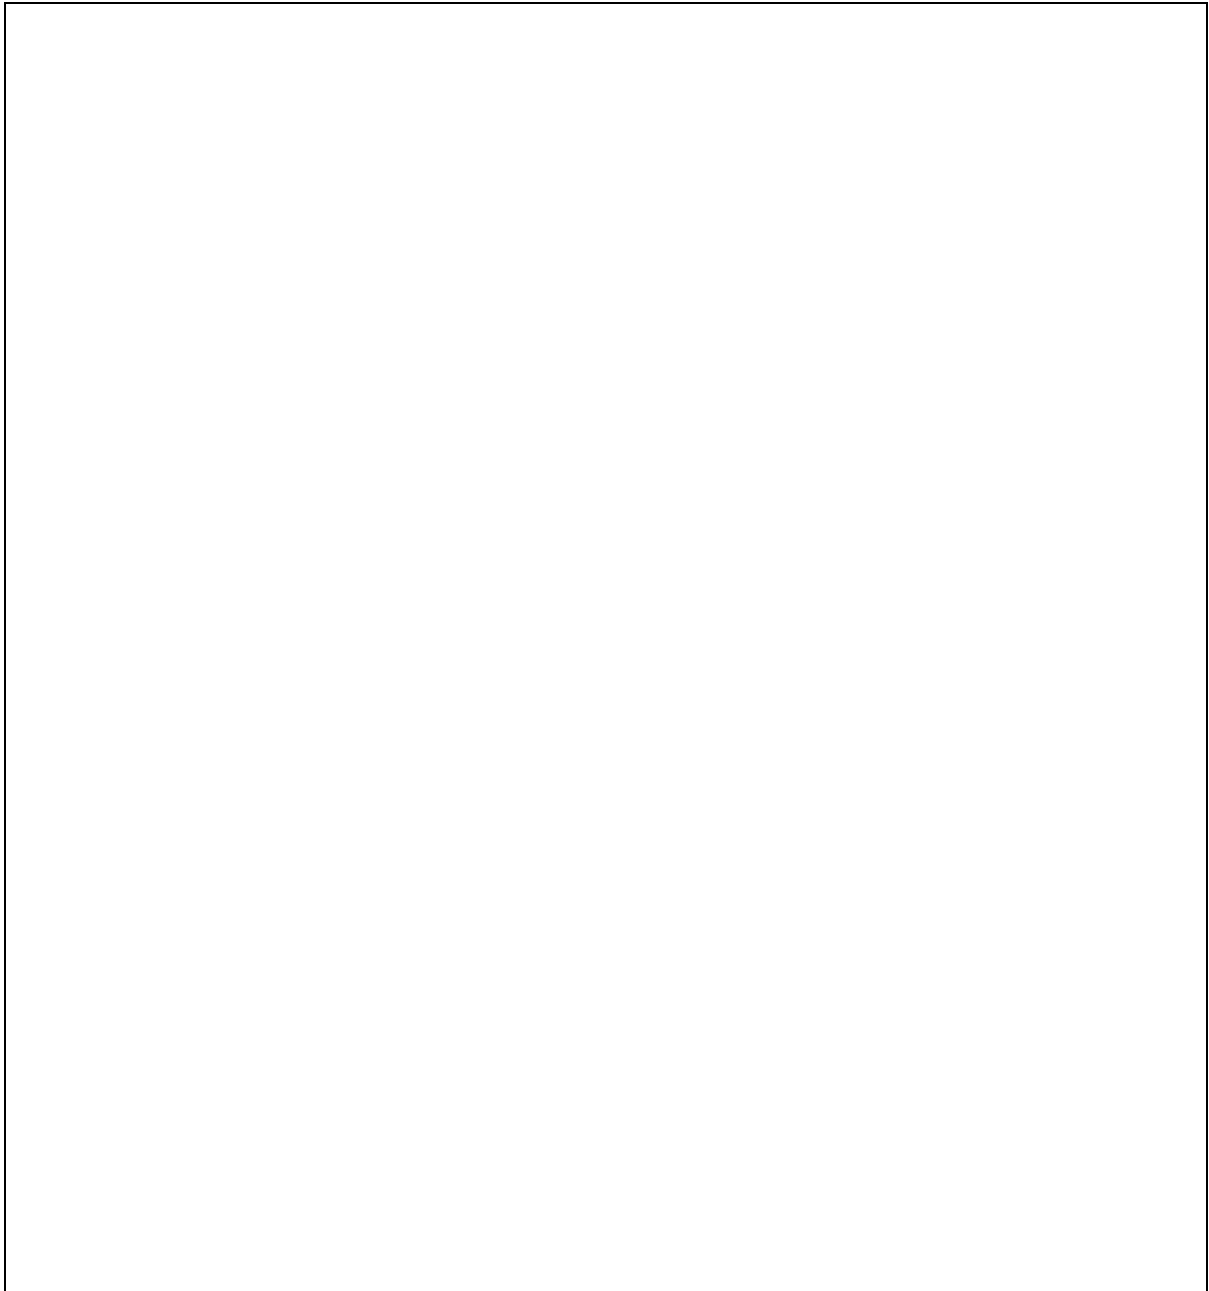

This is to certify that the doctoral candidate _____ has presented her/his progress report to the members of her/his Thesis Advisory Committee (TAC).

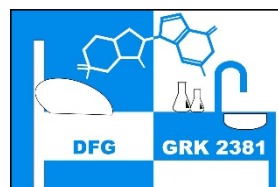

_____ Thesis Supervisor	_____ Signature
_____ 1 st TAC Member	_____ Signature
_____ 2 nd TAC Member	_____ Signature

Tübingen, _____
Date

The doctoral student should return the signed form to the GRK Office (Dr. Petya Georgieva, Interfaculty Institute of Biochemistry, Auf der Morgenstelle 34, 4th floor, Room 4D26) immediately after the meeting.

Comments on the progress report:

A large, empty rectangular box with a thin black border, intended for writing comments on the progress report. The box is currently blank.

Final Thesis Advisory Committee Meeting (3rd year)

During the final TAC Meeting the doctoral student gives a progress report on her/his project, publications, manuscripts in preparation, status of the supplementary training.

The TAC has to decide, if the doctoral thesis is ready for submission and should, together with the candidate, discuss the format of the dissertation, the potential reviewers and examination committee for the defense.

Please use the box on page 2 for comments/suggestions made by the TAC during the meeting.

This is to certify that the doctoral candidate _____ has presented her/his final report to the members of her/his Thesis Advisory Committee (TAC).
