Questions for mentees

As a mentee I am interested in (please mark issues with “+” or “-“):

+ important - unimportant

Guidance for the decision to continue studies to next qualification level and practical

Support regarding combining family with studies and when working in science

Appointment processes (advice, tips, own experiences)

Other wishes / comments (e.g. foreign language skills) (optional):

Questions for mentors

As a mentor I would like to offer support in the following issues (please mark issues with “+” or “-“): + important - unimportant

Skills in these areas are not essential for participation. Your own experiences are already sufficient. Optionally, further knowledge can be obtained by participating in the Athene mentoring workshops.

Support regarding combining family with studies and when working in science

Passing on knowledge about the requirements for a career in science

Guidance and practical support for career planning and management

Information on funding options for studies and academic qualifications

Appointment processes (advice, tips, own experiences)

Other qualifications / comments (e.g. foreign language skills) (optional):

Introductory workshop for mentors

For an easier entry into the mentoring programme, an introductory training is planned for each mentor. As a mentor, please select one of the following workshops (if possible, in your status group) and tick it off. If none of the listed dates fits, please feel free to contact us.

English workshops can only be held on request.

- Friday, 23rd of February 2024 from 9:00 – 13:00 o'clock for MA students & Postdocs
- Friday, 1st of March 2024 from 9:00 – 13:00 o'clock for PhD students and Professors
- I am interested in a workshop in English

Declaration of consent

- I hereby consent to my personal data being gathered, stored, and used exclusively for the Athene Mentoring program. My data will not be passed on to third parties. I am entitled to ask for my data to be deleted at any time.
- I hereby consent to being contacted by e-mail, post and telephone using the given data for the Athene Mentoring program.
- I hereby consent to my e-mail address and other work contact details being passed on to my mentee to allow them to make contact within the scope of the program.
- I agree to my contact details being recorded in the internal e-mail list.

Personal data is only stored for the period of the mentoring and routinely deleted after six months at the latest, in accordance with the statutory provisions.
