

## Curriculum Vitae

**Oesterhelt, Philipp, Dr. rer. nat.**

Research Associate, Akademischer Rat

Eberhard-Karls-University Tübingen  
Interfaculty Institute of Microbiology and Infection Medicine  
Department of Microbial Bioactive Compounds

### Academic education

1991 – 1997 Study of physics (Diploma), Ludwigs-Maximilians-Universität, München

### Scientific degree

2000 PhD in biophysics, Universität München, Prof. Dr. H. Gaub

### Professional career since scientific degree

2014 – date Akademischer Rat and independent group leader, Institute for Microbial Bioactive Compounds, University of Tübingen (IMIT)  
2010 – 2014 Akademischer Rat and independent group leader, Institute for Physical Biology, Heinrich Heine Universität Düsseldorf  
2003 – 2009 Juniorprofessor for Nanoanalytics, Heinrich Heine Universität Düsseldorf  
2002 Post-Doc, Max Planck Institut für Biophysikalische Chemie, Göttingen  
2000 – 2001 Start-Up Company Nanotype GmbH, Co-founder and Chief Scientific Officer  
1997 – 2000 PhD student, Institut für Angewandte Physik, Universität München

### Awards

2004 Award of the BMBF junior research competition “Nanotechnology”  
2000 Third rank in the Munich Business Plan competition
