Step 9

For choosing a group please click on the circle next to it. After that you have to click on „Meine Wahl speichern.“ on the bottom oft the page. If you click on „Beschreibungen anzeigen“ on top the page you can see the place for the first meeting with your mentor. Also, there can be other information.

You can only choose on group. Each group is limited to 5 participants. If a group is full, please choose the group „For international students: If all groups should be taken, please choose this group“. We will organize more groups and inform you when there are new ones.
B. Communication

Step 1

Please click on the speech bubble on the top right corner right next to your name. (You have be logged in to do so.)
Step 2

After clicking on the speech bubble you will see a new window for chatting. To text a certain person (for example your mentor) please click on „Suchen“ and insert the name. (The program starts searching as soon as you hit the „enter“ key.)

If you have already chosen a group, you can also communicate with all of the participants of your group at once. Please click on „Gruppe“ and then on your group to do so.
