---

### Academic Career

since 06/2018	University of Tübingen, Department of Psychology, Language and Cognition Research Group PhD candidate
10/2016 – 04/2018	University of Tübingen Psychology M.Sc.
05/2016 – 07/2016	MTO Psychologische Forschung und Beratung GmbH, Tübingen Internship (test construction and evaluation)
10/2015 – 02/2016	University of Tübingen, Department of Psychology, Cognition and Perception Research Group Research internship (supervisor: Rolf Ulrich)
10/2011 – 05/2016	University of Tübingen Psychology B.Sc.

### Publications (peer-reviewed journals)

- Schütt, E.**, Weicker, M., & Dudschig, C. (accepted). Multimodal aspects of sentence comprehension: Do facial and color cues interact with processing negated and affirmative sentences? *Journal of Experimental Psychology: Learning, Memory, and Cognition*.
- Schütt, E.**, Dudschig, C., Bergen, B. K., & Kaup, B. (2023). Sentence-based mental simulations: Evidence from behavioral experiments using garden-path sentences. *Memory & Cognition*, 51(4), 952-965. <https://doi.org/10.3758/s13421-022-01367-2>
- Schütt, E.**, Mackenzie, I. G., Kaup, B., & Dudschig, C. (2023). Replacing vertical actions by mouse movements: A web-suited paradigm for investigating vertical spatial associations. *Psychological Research*, 87(1), 194-209. <https://doi.org/10.1007/s00426-022-01650-6>
- Dietz, P., Iberl, B., **Schütt, E.**, van Poppel, M., Ulrich, R., & Sattler, M. C. (2018). Prevalence

estimates for pharmacological neuroenhancement in Austrian university students: Its relation to health-related risk attitude and the framing effect of caffeine tablets. *Frontiers in Pharmacology*, 9, Article 494. <https://doi.org/10.3389/fphar.2018.00494>

Birngruber, T., Schröter, H., **Schütt, E.**, & Ulrich, R. (2018). Stimulus expectation prolongs rather than shortens perceived duration: Evidence from self-generated expectations. *Journal of Experimental Psychology: Human Perception and Performance*, 44(1), 117-127. <https://doi.org/10.1037/xhp0000433>

### **Conference Contributions**

**Schütt, E.**, Weicker, M., & Dudschig, C. (2022). *Investigating the effects of facial expressions and color cues on processing negated and affirmative sentences*. Poster presented at the 15th Biannual Conference of the German Society for Cognitive Science (KogWis 2022), Freiburg im Breisgau, Germany.

**Schütt, E.**, Weicker, M., & Dudschig, C. (2022). *Does the "not face" facilitate sentential negation processing?* Poster presented at the 64th Conference of Experimental Psychologists (TeaP 2022), Cologne, Germany.

**Schütt, E.**, & Kaup, B. (2021). *Are simulations created incrementally during sentence comprehension?* Poster presented at the 63rd Conference of Experimental Psychologists (TeaP 2021), Ulm, Germany.

**Schütt, E.**, & Kaup, B. (2019). *Werden während des Satzverstehens inkrementelle Simulationen gebildet?* Talk presented at the Annual Retreat of the CRC 833 (The Construction of Meaning), Heiligkreuztal, Germany.

**Schütt, E.**, Berndt, E., Yu, G., & Kaup, B. (2019). *Testing an online paradigm for investigating the automatic activation of location information during word processing*. Poster presented at the 61st Conference of Experimental Psychologists (TeaP 2019), London, UK.

Birngruber, T., **Schütt, E.**, Schröter, H., & Ulrich, R. (2016). *The effect of stimulus expectancy on duration estimation: Evidence from self-generated expectations in a temporal bisection task*. Poster presented at the 58th Conference of Experimental Psychologists (TeaP 2016), Heidelberg, Germany.

### **Teaching**

Winter 2018/19    Practical Course: Behavioral Observation (B.Sc. Psychology)

Summer 2021     Supervision of Bachelor theses (Jonathan Göth; Lea Köster)

Summer 2022     Supervision of Bachelor theses (Maya Häfner; Charlotte Rhein)

Last update: October 2023

Winter 2022/23    Practical Course: Behavioral Observation (B.Sc. Psychology)

Summer 2023     Supervision of Master theses (Lisa Fischer; Lara Schäffer)
