

Information for the SAS-EXAM

- Time and place: 21st January 2011 at 14.00pm-15.00pm in the PC-Lab.
- Books, scripts are allowed. You can use the programs in your home folder.
- You are not allowed to access the internet!
- Type the answers to the theoretical questions into your program.
- You will get an USB stick on which to save your program file.

Tips

- Save your program file!
- Read through the exam carefully and stick to the tasks you are asked to do.
- Run your code step by step rather than programming through the end first.
- If you cannot solve a task, don't panic, just go on programming!
