

## Tübingen International & European Studies (T-IES) · Winter School on Culture and Diversity

January 7 – February 4, 2025

### STUDY TRACK A

#### *“Europe, Diversity, and the Question of Identity”*

The past years have seen the EU facing a lot of criticism from various sides and a plethora of challenges threaten the community - internally and externally - and what held its societies together for a long time. In this program, students examine the fundamental notions at the heart of what Europe stands for: pluralism, democracy, subsidiarity, and the rule of law. Furthermore, courses cover the current challenges Europe and the EU face today: the rise of nationalism; political fragmentation and radicalization; migration, religion and questions of identity; and war.

**Course 1: “The EU in Constant Crisis? A Story of Identities and Rights”** (Jan Battke)

**Course 2: “Human Rights and Migration in Europe Today”** (Dr. Germana Favognano)

**Course 3: “Religion and the Question of Identity in Europe”** (Lucas Ogden)

### STUDY TRACK B

#### *“Representing the European Past in Cross-Cultural Communities”*

This program delves into the political processes entailed in remembering and forgetting, introduces students to the commemorative landscape of the EU and explores possible solutions to the challenges facing European collective memory or what could be called Europe's culture of remembrance. Sessions will deal with what makes us remember some things while other facets of our lives and historical events are suppressed or hard to recollect. How does what we remember (and what we - choose to - forget) structure the reality that we live in - symbolically, physically, and politically? How is the past used (or abused) to serve the present needs of individuals and collectives in Europe today, where different concepts of identity oftentimes clash with the reality of cosmopolitan communities that are both ethnically and culturally diverse.

**Course 1: “Culture of Remembrance in the EU: Representing the Traumatic Past”** (Dr. Oleg Morozov)

**Course 2: “Europe as a Memoryland: Selective memory and place-making practices”** (Lana Balorda)

**Course 3: “Lost in translation: Immigration and the creation of cross-cultural communities”** (Ana Alves)
