

Tübingen Korean Studies Lectures

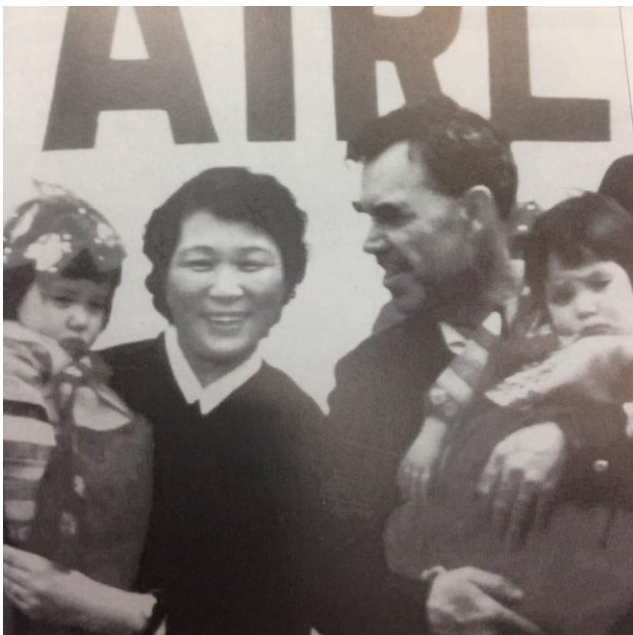

VORTRAG

Revisiting the Korean Adoption Issue and the Adopted Koreans

Professor Tobias Hübinette
Karlstad University, Sweden

14.12. 2016 (Mittwoch) | 18-20 Uhr
Wilhelmstraße 133 | Raum 30

Prof. Tobias Hübinette has a Ph.D. in Korean studies from Stockholm University and is a lecturer in intercultural studies at the Department of Language, Literature and Intercultural Studies at Karlstad University. He is also a researcher in critical race and whiteness studies at the Department of Cultural Anthropology and Ethnology, Uppsala University, and he is organizing a Swedish research network for critical race and whiteness studies. Furthermore, he is a co-founder and member of TRACK - Truth and Reconciliation for the Adoption Community of Korea - and he is engaged with adoption related issues and contexts.
