### Nachtermin (NT):

- 4 April 2022, 2 pm - 3 pm
- Exam registration: from 14 March 2022 to 21 March 2022  
via ALMA

---

## How to take the exam

- 1 Exams are held in general on site of the University. Please consult the department homepage for the correct location!
- 2 upon written request to the examination office you can write the exam at home while being supervised via zoom
- 3 allowed: a simple calculator, open book (includes self-prepared notes)

---

## Organization of the zoom exam

If your request for a zoom supervised exam was approved by the examination office, please contact me via email and I will send you an email with more information on the procedure of the online exam.

The important information is summarized below but please follow all instructions in the email.

Best of luck in your exam!

---

## Organization of the zoom exam

- 1 The exam has to be taken at the same time as the exam held on site
- 2 Prepare enough white paper!
- 3 I will send you a copy of the exam shortly before 12 pm (HT) or 2 pm (NT) CET (11 am UTC or 1pm UTC)
- 4 You complete the exam
- 5 When the working time is over:
  - Take a picture of every page of your exam (suggestion to use Microsoft Office Lens)
  - Send the pictures immediately to [julie.schnaitmann@uni-tuebingen.de](mailto:julie.schnaitmann@uni-tuebingen.de)
  - Do not log of your zoom session until I have confirmed receipt and readability of your exam
- 6 Send the original copy of your exam immediately to me

---
