COURSE CATALOGUE

The University of Cagliari courses are available on our website: [COURSES](#)

RECOMMENDED LANGUAGE SKILLS

Most of the courses are held in Italian, a A2 is the minimal Italian level requested for exchange programme. Some courses are held in English, for whom a B1 English level is requested.

The ISMOKA office offers Italian language courses to all exchange program students and Erasmus+ students. Student will receive 4 or 6 ECTS depending on the course (... hours, 2h/week for the semester).

GRADING SYSTEM

The grade distribution tables should replace the previous ECTS grading scales (A, B, C, D, E), which are still used by some institutions. In the Italian system the pass mark for examinations is 18 out of 30. The highest mark for examinations is 30 out of 30 (30 cum laude is also possible). An excellent performance is usually graded above 28.

For each Faculty, it is first reported the grade distribution table for the whole Faculty followed by those of each Degree Programme: see the [Distribution TABLE](#).
