# STUDYING AT NKUA

**Course information:** The up-to-date online course catalogue is available approximately two months before the beginning of each semester. To get an idea of the offered courses, students should consult the catalogue of previous years and faculty websites.

Erasmus+ students should choose courses mainly from their registration Department. In addition, they can choose up to two courses from another Department of NKUA after having firstly the approval of both academic coordinators (home and host).

**Online course catalogue:** Most courses are conducted in the Greek language. In various Departments there are courses offered in English (and/or in other languages). In Departments that courses are conducted only/mainly in Greek, there are special arrangements for the Erasmus+ students. The most common one is the assignment of essays written in English with the use of English bibliography. A significant number of postgraduate courses are offered in English and some in other languages (French, German, Spanish, Italian).

# Special Courses open to all the incoming students regardless of their field of studies

## **Greek Language Course (06 ECTS)**

Speak Greek, like a Greek!

## **Contemporary Greece: History, Arts & Letters (06 ECTS)**

# HOUSING

Due to the fact that there is no availability of rooms at the Student Residences, students are responsible for securing their accommodation at private rooms/apartments. In an effort to assist the incoming students to find private accommodation, the Erasmus Students Networks of NKUA, *ESN KAPA Athens*, give access to a list of persons who rent apartments or rooms to students upon request.

Students are advised to start searching for accommodation as early as possible and to check all information at our website
