Supervisors:

Supervisor 1: _____

Supervisor 2: _____

At least one of the supervisors must be a university teacher qualified in the doctoral subject according to § 44 (1) 1 LHG and as such a member of the faculty's full-time staff (§ 9 (1) 3 LHG). Furthermore, retired or emeritus professors, academics with habilitation (Privatdozenten), extraordinary professors, adjunct professors, and visiting professors of the Faculty of Economics and Social Sciences, professors of other University of Tübingen Faculties, professors of universities of applied science, professors from universities of Applied Science or the Cooperative State University as well as appropriately qualified members of other academic institutions of higher education in Germany or abroad, may be appointed. Under exceptional circumstances, the Faculty board may assign the task of supervision to other persons (usually junior research group leaders) with a doctoral qualification upon recommendation by the examination committee. Supervisors not belonging to the Faculty of Economics and Social Sciences must be approved by the doctoral examination committee. In this case please hand in an informal letter that should include the reasons for the choice and the contact details of the desired external supervisor.

Declarations to the Application for Admission as a Doctoral Candidate

According to § 4 (4) and § 7 (2) nos. 5-11 of the doctoral degree regulations at the Faculty of Economics and Social Sciences of the University of Tübingen

I hereby declare

- that I have read the University of Tübingen guidelines on ensuring good academic practice (resolution of the Academic Senate of 25th May, 2000) and that I will adhere to them and the guidelines in the doctoral regulations in all aspects of my doctoral work. In particular, according to § 6 of the doctoral regulations, I will prove I am able to complete independent academic work.
- that I have not obtained a doctoral degree with the same classification (e.g. Dr. rer. soc., Dr. rer. pol., Dr. rer. nat., Dr. phil.) at the same faculty of this university nor have I failed an attempt to achieve the degree. If you have already achieved a doctoral degree or PhD or similar degree, please also submit an attested copy of the certificate.
- that I am not attempting to achieve a doctoral degree with another or the same classification that I have already achieved at another faculty at this or another university without being able to show proof of a degree in another degree program according to § 3 of the doctoral regulations.
- that I have not previously submitted the present dissertation in a doctoral procedure or an equivalent procedure at this or another faculty or at another university within or outside of Germany, regardless of whether the degree was successfully achieved.
- that I have not failed a second attempt at the doctoral procedure according to § 17 of the doctoral regulations.
- that I have not ended more than one doctoral process in the doctoral subject or in a corresponding subject or discipline at this or another university without success.
- that I have not already successfully achieved a post-doctoral lecturing qualification (Habilitation) in the subject in which I would like to obtain a doctorate.
- that according to § 5 (2) nos. 8-9 of the doctoral regulations, I have not been criminally convicted of academic-related crimes and/or have not had disciplinary measures taken against me for these reasons – either of which would mean I cannot ensure future behavior conforming to good academic practice.

If you cannot check one of the boxes, please include an explanation or corresponding documentation.
