

To the Deanship
of the Faculty of Economics and Social Sciences
Nauklerstraße 48

72074 Tübingen

**Declaration concerning differences between the submitted version of the dissertation
and the version prepared for publication**

Name: _____ First name: _____

Title of the dissertation: _____

- There are no differences between the version submitted with the application for admission and the printed publication.
- The differences between the version submitted with the application for admission and the printed publication of the dissertation are only due to the correction of spelling mistakes and eventually the change of formatting.
- There are differences between the version submitted with the application for admission and the version of the dissertation destined for printing. I have presented the changes to my supervisor and add a list of the changes to this declaration.

Date: _____ Signature of the doctoral candidate: _____

*****Signature of the supervisor in the case of differing versions of the dissertation*****

- There are differences between the version submitted with the application for admission and the version destined for printing. The final version of the dissertation has been presented to me with the differences marked or listed. I hereby agree with the submitted final version.

Date: _____ Signature of the supervisor: _____
