

AEG 2007

Stephane Ngueleu

I'm living in Waterloo, Ontario, Canada

My occupation

- Currently Postdoctoral Fellow at the Department of Earth and Environmental Sciences of the University of Waterloo.

Profile: <https://uwaterloo.ca/ecohydrology/people-profiles/stephane-ngueleu>

- Worked previously as a Hydrogeologist / Environmental Scientist with WorleyParsons Canada Services Ltd.

My AEG time

The AEG program gave me the valuable knowledge and skills that make me one of the best environmental scientists today. I benefited a lot from the courses focussing on hydrogeology, hydrogeochemistry, geophysics, microbiology and modeling. The material learned has allowed me to comfortably address challenges in my career. I also enjoyed learning new cultures.
