

Tübingen - Virtual Intercultural Program

January 29 – April 5, 2024

Course title	“Stay/Get in touch with Germany via Tandem”
Course content	<p>The Tandem Program is a program where two people with different mother tongues form a language partnership or tandem, who meet regularly via Skype, Zoom, WhatsApp or Line Call, etc. to learn each other's languages. At the same time you can get to know each other's culture better. Language learning in tandem can, for example, complement a language course, but it can also take place completely independently. The Tandem Program can be a chance to get to know someone from Tübingen online before heading to Germany.</p>
