

Fachtag(e) Englisch

Environment and the Teaching of English

How can English classes contribute towards sustainability, ecology, environmental awareness, and global responsibility? The *Fachtag(e) Englisch* present new approaches and perspectives in literature, art, linguistics, and pedagogy. Four interactive workshops introduce educational avenues and teaching opportunities to raise environmental literacy.

Do, 04.11.21
17:00 - 18:00 Uhr
