

## **List of Authorized Examiners for the MSc Thesis in AEG**

The Master Thesis will be graded by two examiners, who are typically also the supervisors of the work. One examiner must be a member of the Department of Geosciences. Upon written request the examination board may allow the second examiners to be selected externally. He or she must be authorized to supervise master theses, e.g. at a different university.

### **First Examiner**

The following professors that teach in the program.

Angenent, Largus  
Appel, Erwin  
Bange, Jens  
Cirpka, Olaf A.  
Dietrich, Peter  
Drews, Reinhard  
Ehlers, Todd  
Escher, Beate  
Fitzsimmons, Kathryn  
Giere, Johannes
