Subjects and Enrolment

Subject Information	<p>The Study Abroad and Exchange Subject and Academic information webpage provides an overview of and step by step guide on how to explore subjects at UTS. Students can find helpful resources and videos explaining how to use the subject guides, UTS Handbook and UTS Timetable.</p> <p>Pre-approved Subjects list:</p> <p>We have launched a comprehensive list of pre-approved subjects across most study areas. Subjects on this list are pre-approved by the faculties and do not require evidence of prior knowledge. Students are able to self enrol into the subject upon admittance to UTS. Students are strongly encouraged to find subjects in the pre-approved list before exploring other subjects options.</p> <p>Additional Subjects:</p> <p>For higher level subjects students can use the Subject Guides as a good starting point to find the most popular subjects in their discipline or area of interest.</p> <p>Note:</p> <p>Students are no longer required to list their subjects in the application. Further instructions on how to enrol in subjects will be sent once students are admitted.</p> <p>Subjects from the following Programs are generally not available for Study Abroad students: Nursing; clinical and education placements; Midwifery; all Graduate Health subjects; Master of Clinical Psychology; MBA Executive; Chinese Medicine; Engineering internships. Animation and Media Arts Production have limited availability.</p>
Teaching Locations	<p>UTS has two campuses;</p> <ol style="list-style-type: none"> 1) City Campus in Ultimo where the majority of subjects are taught and 2) Moore Park Precinct where some Sport and Exercise Science and Management subjects will be based. <p>Note: Travel time between locations should be considered when selecting subjects. Student can use the new light rail service between campuses.</p>
Conditions for Subject Approvals and Enrolment	<p>Subject approval and final enrolment into subjects is conditional upon class availabilities, the student meeting prerequisites, and completion of the online enrolment process. Students must also check the UTS Timetable Planner to avoid subject clashes.</p>

Enrolment FAQs	Common questions about enrolment and timetabling have been addressed in our Prepare for UTS and Australia page.

UTS Housing and Living in Sydney

UTS On-Campus Housing	<p>All students must arrange their own accommodation in Sydney.</p> <p>UTS has a student residence called Yura Mudang, located on-campus, which is owned by the university and managed by the UTS Housing Service.</p> <p>All information about the accommodation options and fees can be found on the UTS Housing website or contact UTS Housing at housing.service@uts.edu.au.</p> <p>Note:</p> <ul style="list-style-type: none"> • UTS Housing offers a limited (150) number of beds for exchange and study abroad students. Applications for Autumn open in early October and for Spring open in early May. • There is a non-refundable application fee of AUD\$50 for Yura Mudang, even if you are unsuccessful in securing a place. • UTS recommends that students investigate off-campus accommodation options at the same time as applying to Yura Mudang. Do not wait for the outcome to start looking.
Off-Campus Options	<p>There are several types of off-campus housing in Sydney including Private Student Residence Providers, Flat shares, Homestays and short-term accommodation.</p> <ul style="list-style-type: none"> • Due to the limited availability at UTS Housing, UTS strongly suggest students to investigate these off-campus accommodation options at the same time as Yura Mudang. • UTS recommends arriving in Sydney a couple of weeks early and staying in temporary accommodation whilst looking for longer term housing options. <p>Visit UTS Housing off-campus accommodation page for more information.</p>

UTS Transcripts on Completion

UTS Transcripts	<p>UTS issues transcripts to all students approximately one month after the official exam results release date. These will be uploaded to the Myequals platform unless a student chooses to opt out. The students will then share the link to their home university and/or agent. Students who opt out will be issued a hard copy of the transcript.</p> <p>Note: The official UTS transcript does not carry a stamp or signature. Instead, it carries a security feature in the paper (UTS is written in tiny letters across the whole paper) and a "COPY" watermark will appear if the transcript is copied.</p>
