Tübingen Research Takeoff 2024 - Call for Applications

The Baden-Württemberg Center for Brazil and Latin America at the University of Tübingen is pleased to announce the third Call for the Tübingen Research Takeoff (TRT) program, addressing this time emerging research cooperations with Argentina and Mexico. The aim is to promote new scientific cooperations between the University of Tübingen and its partners. The complete TRT call with guidelines and specificities can be found [here!](#)

Capes oferece bolsa na modalidade Cátedra na Universidade de Tübingen, na área de Física Quântica

Está aberta a chamada 2024/2025 para o Programa Cátedra Tübingen na área da Física Quântica, com foco na temática: “Collective interaction between light and ultra cold atoms” (“Interação coletiva entre luz e átomos ultrafrios”). Os pesquisadores selecionados iniciarão as atividades entre setembro e outubro de 2025 no “Center of Quantum Science” (CQ) do Departamento de Física da Universidade de Tübingen e serão recebidos pelo professor anfitrião, o Prof. Dr. Sebastian Slama, líder do grupo Many-body cavity QED do CQ. **Deadline: 30 de dezembro de 2024!** [Saiba mais!](#)

UNAM-DFG 2024/25: Third joint call for German-Mexican research projects

The DFG (German Research Foundation) and the Universidad Nacional Autónoma de México (UNAM) announce the third call for proposals to fund joint German-Mexican research projects in all fields of research (including social sciences and the humanities). This initiative aims to bring together relevant and competitive researchers from Germany and from UNAM to design and carry out jointly organised research projects of outstanding scientific quality.
