Data privacy notice:

Under § 4 of the current state data protection law we hereby inform you that the data you provide in this application will be processed in a database. This data collation has its legal basis in § 12 of the Baden-Württemberg Landeshochschulgesetz and the state Ministry of Science, Research and the Arts regulations on the collection and processing of the personal data of applicants, students and exam candidates for administrative purposes at institutions of higher education, and on the University of Tübingen statute governing admissions and enrollments of 23.03.2015.

Please note:

Application forms will only be processed if they have been fully completed and are accompanied by the necessary documents, and arrive by the deadline. Documents submitted become the property of the University of Tübingen and will not be returned! Therefore, do not submit original documents!

I hereby confirm that the information given on this supplementary form is completed and correct.
