

COME STUDY IN BRAZIL!

Dear partner,
Greetings from UNISC

We are pleased to share information about UNISC'S application for the first semester of 2025 for our **International Academic Mobility Program (PROMAI)**.

In this program, undergraduate students from partner universities have the possibility of studying at UNISC for one semester. Students are **free from paying academic fees** to UNISC, while in their exchange program.

Check the availability of the courses for PROMAI.

Application deadlines:

December 15th, 2024 for the 1st semester of 2025

Academic Calendar:

1st semester
February to July
2nd semester
August to December

Application:

The home university must nominate the student by email to the UNISC International Office - AI (intercambio@unisc.br) with the following documents:

Digital copy of national identity or passport

Digital copy of the academic transcript

Letter of intent

Application Form

(to be completed by the student and signed by the Coordination of the home institution)

EXPERIENCE A DIFFERENT BRAZIL!

We thank you for your cooperation, and we look forward to welcoming your students at UNISC!

GET TO KNOW UNISC

WHY COME TO UNISC?

- We are a community institution - the student will have the opportunity to get involved with social projects and participate in local activities;
- Santa Cruz do Sul is located in the south of the country - the *Gaúcho* tradition and the temperate climate allow the student to experience a different Brazil;
- We are in a region of Germanic colonization - festivities and typical German dishes are part of our culture;
- The university is located in a safe city with countless places to visit, besides being close to facilities.

[Click here and watch some reports about this experience](#)

THE STUDENT WILL FIND:

- Welcome reception with cultural orientation;
- **Free Portuguese Language Course;**
- Cultural activities taking place throughout the year;
- Support in finding accommodation;
- Buddy Program;
- 24-hour support from the International Office.
