

# Walking with Laata: An Anthropologist's Experiment with Environmentalist Activism and Heritage Promotion in the Himalayas

Lecture by Dr. Lokesh Ohri

Heritage Interpretation & Development, Dehra Dun Uttarakhand, India

Lokesh Ohri will talk about an experiment on environmental activism, named "Been there Doon that". *Dedicated to preserving the Doon Valley and help citizens connect with their heritage, the group organises regular walks, tours and other events. As one of the founders of the shared leadership group, Heidelberg trained Anthropologists Lokesh Ohri will share the feasibility of combining heritage work with environmental activism.*

Wednesday 19. June 2019 | 12:00 - 14:00 | Burgsteige 11  
Seminar Room 03

Entrance in the courtyard of the castle / Schloss Hohentübingen,
