NB: As stipulated by the MA CGS Module Handbook and Exam Regulations, you are normally required to take Module 05 during your **semester abroad**. If you cannot travel or have already taken other modules while doing so, the list on this page offers you some alternatives. More options (e.g. academic writing classes) are available through "Fremdsprachenzentrum" or "Graduiertenakademie". The "Transdisciplinary Course Program" (formerly: "Studium professionale") also has a broad range of interesting classes, some of which are explicitly dedicated to global (awareness) issues.

Please be sure to talk to your module advisor before opting for courses that do not feature on this list.
