Greetings

Welcome to Korea, the Land of the Morning Calm! We are delighted to offer the 6th International Summer School (ISS) at the Chungnam National University (CNU), Daejeon, Korea. Learning does not begin or end in the classroom. This program is designed for those foreign students who simply wish to spend their summer abroad experiencing new worlds and culture. We understand that your tight summer plan does not allow for much time away. However, we assure you that this program will provide you with an excellent experience to the Korean daily life through carefully designed program. This program includes various hands-on cultural experiences in Korea through homestays, adventure travel, experiential learning, and language immersion. Opportunities to travel within and beyond Daejeon will also be woven into this program.

Through diverse multicultural group sharing of a fun and thought-provoking adventure travel during the program, you will build leadership and communication skills, gain essential international experience, increase your self-confidence, and enhance global awareness.

Application for this program is now open for the 2011 International Summer School. We hope that the following information is both interesting and informative. Please feel free to contact our office with any questions or comments regarding how we might help you better.

Gyu. C. Kim, Ph. D.
