

UNIVERSITÄT TÜBINGEN

I. Die vorliegende Studentenstatistik ist eine Auswertung der aktuellen Studentendatei, die alle Studierenden erfaßt, die sich bis zum 09.11.1990 für das Wintersemester 1990/91 zurückgemeldet oder neuimmatrikuliert haben.

II. Es sind zwei Zählweisen zu unterscheiden:

1. Die "Kopfstatistik": jeder Student wird nur einmal gezählt als Studierender des Faches, das sein 1. Studienfach ist (dabei handelt es sich in der Regel um das Fach, in dem die Abschlußarbeit geschrieben wird). Die Summe aller in den Kopfstatistiken ausgewiesenen Studenten ist die Zahl der an der Universität Tübingen eingeschriebenen Studenten.
2. Die "Fallstatistik": jeder Student wird bei jedem Fach, das er studiert, als Haupt- oder Nebenfachstudent ausgewiesen. Ein Student mit einer Kombination von drei Fächern erscheint in diesen Statistiken dreimal.

III. Erläuterungen der Tabellen

1. Studierende oder Neuimmatrikulierte nach Fächergruppen (Kopfzahlen)

2. Studierende nach dem ersten Studienfach (Kopfzahlen)
Neuimmatriulierte, Erstimmatriulierte und Rückmelder, Deutsche und Ausländer, Beurlaubte
3. Neuimmatriulierte nach Fächern und Fachsemestern (Fallzahlen). Die Statistik zeigt insbesondere die Zahl der in höheren Fachsemestern von anderen Universitäten übergewechselten Studenten.
4. Studierende nach Herkunft und Staatsangehörigkeit (Kopfzahlen) in der Tabelle "Herkunft der Studierenden" werden die Studenten nach dem Bundesland ihrer Heimatwohnung erfaßt, im Bundesgebiet nach Bundesländern; in der Spalte "Sonstige" sind alle Studenten mit einem Hauptwohnsitz im Ausland ausgewiesen (nicht aber die ausländischen Studierenden). Die Tabelle "Studierende nach Erdteilen" dagegen weist die Studenten nach ihrer Staatsangehörigkeit aus, wobei nach Erdteilen zusammengefaßt wird.
5. Studienfachbelegung nach Abschlußzielen und Fachsemestern
 - 5.1 Gesamtübersicht Kopf- und Fallzahlen
 - 5.2 Fächerübersicht nach Fallzahlen

Schlüssel der Fakultäten

1. Evangelisch-Theologische Fakultät
2. Katholisch-Theologische Fakultät
3. Juristische Fakultät
4. Wirtschaftswissenschaftliche Fakultät
5. Medizinische Fakultät (Theoretische Medizin)
6. Medizinische Fakultät (Klinische Medizin)
7. Philosophische Fakultät
8. Fakultät für Sozial- und Verhaltenswissenschaften
9. Neophilologische Fakultät
10. Geschichtswissenschaftliche Fakultät
11. Fakultät für Kulturwissenschaften
12. Mathematische Fakultät
13. Fakultät für Physik
14. Fakultät für Chemie und Pharmazie
15. Fakultät für Biologie
16. Geowissenschaftliche Fakultät
17. Fakultät für Informatik
