**FAPESP WEEK to be held in Germany in March**

FAPESP  
WEEK  
GERMANY

March 25-26<sup>th</sup>, 2025

The 24th edition of FAPESP WEEK will take place on March 25–26, 2025, at Freie Universität Berlin. Organized by FAPESP and DFG (German Research Foundation), the event aims to strengthen collaboration between researchers from São Paulo and Germany. On March 25, the University of Tübingen will participate in Scientific Session 1: “Precision Medicine” at FAPESP WEEK. Representing the university will be Lars Zender, Medical Director of the Department of Medical Oncology & Pneumology. Additionally, the Center for Brazil and Latin America at Universität Tübingen will be represented by its director, Prof. Dr. Stefan Laufer. The event will be held in English, and registration is open until March 10. [More information!](#)

### Democracy Disfigured or Reconfigured? Political Imaginaries, Popular Participation, and Social Change in the Americas

The University of Tübingen is hosting an expert workshop titled ‘Democracy Disfigured or Reconfigured? Political Imaginaries, Popular Participation, and Social Change in the Americas’ on 20-21 February 2025. The event will delve into the evolving political dynamics across the Americas, focusing on the rise of right-wing populism, the erosion of democratic norms, and the proliferation of disinformation. ## Felipe Cattapan apresenta seu livro em Tübingen *Um Espaço Além do Tempo, um Tempo Além do Espaço*

O evento será realizado no dia 22 de fevereiro, às 17 horas, no Don Sá Cafélädle, Sigwartstrasse 20, em Tübingen. O livro apresenta uma peça teatral e uma novela com forte experimentalismo formal. Inspirado por música e literatura clássica, o autor explora temas existencialistas, influenciado por Kafka, Pessoa e Sartre, e aborda a precariedade da vida como um espaço-tempo a ser preenchido com autenticidade. ## VISITA PUCRS

### Besuch PUCRS

Centro recebe visita do  
Decano da Escola de Medicina  
da PUCRS

Entre os dias 28 de janeiro e 6 de fevereiro de 2025, uma delegação da PUCRS, liderada pelo Prof. Dr. Leonardo Araújo Pinto, Decano da Escola de Medicina, esteve em Tübingen, sendo recebida pela equipe do Brasilien- und Lateinamerika-Zentrum. Durante o encontro, foram discutidas as principais atividades conjuntas, novos projetos de cooperação e reestruturações entre os parceiros. Esses e outros encontros na universidade fortaleceram a colaboração acadêmica entre as instituições, promovendo a troca de conhecimento e experiências, além de abrir novas perspectivas para futuras parcerias e projetos conjuntos.
