### **Checklist Erasmus+ Staff mobilities**

# for teaching purposes (STA) and/or training purposes (STT)

## Before the application process

	Contact us to find out whether your planned activity is eligible for funding and whether sufficient funding is available.
	Contact person: Thomas Lauterwasser E-Mail: <a href="mailto:staff-mobility@erasmus.uni-tuebingen.de">staff-mobility@erasmus.uni-tuebingen.de</a>   Phone: +49 7071 29-77732
	Check the stay abroad with the (inviting) host institution or, in case of training offers without a selection procedure, inform yourself in detail about the content and organization of the offer you're interested in.
	Discuss your planned stay abroad with your supervisor and submit an <u>application</u> for approval of business travel. Please note the <u>information on business travel</u>
	If necessary, apply for a <u>certificate of secondment</u> (A1 certificate) as proof of the applicable social security legislation during your business travel abroad.
	Find out from the <u>occupational health ambulance</u> whether your stay abroad is associated with a compulsory occupational health check-up and book an appointment for a travel medical consultation (approx. 3 months before departure).

### Before your stay abroad

Register in our application portal Mobility-Online by completing the online application for a stay abroad. Depending on your planned mobility, select either the option <a href="Erasmus+ Personalmobilität - Lehraufenthalt (STA)"><u>Erasmus+ Personalmobilität - Fortbildung (STT)</u></a> .
Complete your <b>personal master data</b> or check the accuracy and completeness of the data if you were already registered in the system.
Upload the <b>letter of invitation from the host institution</b> in Mobility-Online (details of the host institution, the period of physical mobility and the purpose of your mobility, if applicable the number of teaching hours, virtual components).
Upload your <b>business travel approval</b> in Mobility-Online. Make sure that your application is also signed by your supervisor and the approving authority.

### **After your mobility** (within 30 days after the end date of the mobility)

Complete the " <b>EU Participant Report</b> " (EU Survey) and submit it electronically. You will receive the link for the report by e-mail from the EU Commission at the last day of your mobility.
Upload the "Letter of Confirmation" in Mobility-Online
Submit the <b>travel expense report</b> together with the collected original receipts and the approved business travel form in original by internal mail to the International Office (Dez. V.1 Lauterwasser), or hand in the documents in person at the International Office (Wilhelmstraße 9).

As soon as all documents have been submitted, your travel expense report will be forwarded to the Travel Expenses Office for comparative calculation in accordance with the State Travel Expenses Act (LRKG). If the grant results in a higher reimbursement contribution, this additional amount will be reported to the LBV for taxation as a non-cash benefit.

Your grant will be paid out afterwards.
