*****Versão em português disponível*****

Nach elf Jahren als Prorektor für Forschung, Innovation und Transfer (2014–2025) wurde Prof. Dr. Peter Grathwohl am 15. Mai 2025 offiziell im Kleinen Senat der Universität Tübingen verabschiedet. Die Rektorin, Prof. Dr. Dr. h.c. (Dōshisha) Karla Pollmann, würdigte sein herausragendes Engagement, insbesondere für den Aufbau des Cyber Valley und die Förderung der Künstlichen Intelligenz.

Neben seiner Tätigkeit im Rektorat leitete Prof. Grathwohl von 2016 bis 2025 gemeinsam mit einem weiteren Direktor das Baden-Württembergische Brasilien- und Lateinamerika-Zentrum (BraLat). In dieser Funktion stärkte er maßgeblich die akademischen Beziehungen der Universität Tübingen zu Partnerinstitutionen in Brasilien und später auch in weiteren Ländern Lateinamerikas.
