

GRK 2381

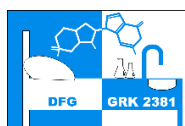

Welcome Week 2025

July 21-22
 July 25 & 28-30
 University of Tübingen, Germany

Organized by the University of Tübingen and the DFG GRK 2381

EBERHARD KARLS
 UNIVERSITÄT
 TÜBINGEN

Agenda (as of June 20, 2025)

Monday, July 21 [Kick-off Event]			
Participants: 4th cohort of PhD Students & PIs			
14:00	Judith Feucht (Organizer of the Welcome Week)	Brief introduction to the Welcome Week	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
14:05	Robert Feil (Speaker of the GRK2381)	Overview of the GRK2381	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
14:20	Marisa Köllner (Graduiertenakademie)	The Doctoral Researcher Development Program of the University of Tübingen	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
15:00	Robert Lukowski (Co-Speaker of the GRK2381 and Co-Organizer of the Welcome Week)	The GRK 2381 training concept	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
15:20	Aylin Balmes and Timo Kopp (former Students of the 2nd GRK2381 cohort)	Introduction and experiences from a student's perspective	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
16:00	All speakers	Concluding question and answer session	Institute of Pharmacy, B-Bldg., 9th floor, room 9N22
Tuesday, July 22 [Welcome Week Part I]			
Participants: 4th cohort of PhD Students			
9:00-12:00	Marlies Knipper (Project 9)	cGMP & Hearing, Methods	Conference Room HNO Clinic R. 3.330
Friday July 25 [Welcome Week Part I]			
Participants: 4th cohort of PhD Students			
9:00-12:00	Nisha Mohd-Rafiq (Project 11)	Tension and transmission: when cytoskeletal forces and chemical signals intersect	IFIB, Auf der Morgenstelle 34
12:00	Joint Lunch Break	(costs are not covered by GRK)	
13:00-16:00	Judith Feucht (Project 10)	Introduction to the project and lab tour	Röntgenweg 11, Level 1
Participants: 3rd and 4th cohort of PhD Students & PIs			
17:00	Stocherkahn-punting trip	costs are covered by GRK/PIs	

Monday, July 28 [Welcome Week Part II]			
Participants: 4th cohort of PhD Students			
9:00-12:00	Robert Feil, Susanne Feil, Hannes Schmidt (Projects 1, 4 u. 7)	cGMP: Now Live and in Color!	IFIB, Auf der Morgenstelle 34, level 6, room 6A24 (social room)
12:00	Joint Lunch Break	(costs are not covered by GRK)	
13:00-16:00	Tilman Schäffer (Project 3)	Introduction to the relevance and measurement of mechanics in cGMP research	C9-A42 (C-Bldg., 9th floor, room A-42)
Tuesday, July 29 [Welcome Week Part II]			
Participants: 4th cohort of PhD Students			
9:00-12:00	Robert Lukowski (Project 2)	Pharmacological approaches and concepts for understanding cGMP's functions in vivo	B-Bldg., 9th floor, room 9A29
12:00	Joint Lunch Break	(costs are not covered by GRK)	
13:00-16:00	Meinrad Gawaz (Project 5)	Introduction to the project "Role of hemin-dependent signaling and ferroptosis in platelets: does cGMP play a role?" and lab tour	Medical Clinic, Otfried-Müller-Str. 10 Meeting Point: Gate of the Medical Clinic
Wednesday, July 30 [Welcome Week Part II]			
Participants: 4th cohort of PhD Students			
13:00-16:00	Thomas Euler (Project 8)	Introduction to 2P-Imaging of the retina; Neuromodulatory effects on early visual signal processing	Werner Reichardt Center for Integrative Neuroscience, Otfried-Müller-Str. 25
