Erkenntnisse und Ausblick

A wide-angle photograph of the University of Zurich campus. In the foreground, the dark, tiled roof of a building with several dormer windows is visible. Beyond the roof, a large, green lawn stretches across the middle ground, flanked by trees and walkways. In the background, the city of Zurich is visible, featuring various buildings, including a prominent church spire and a modern skyscraper. The sky is overcast and grey.

A photograph of a cluttered desk in a home office. A large computer monitor sits on a black base, with a webcam mounted on top. In front of the monitor is a keyboard and a mouse. To the left of the monitor is a red folder and some papers. To the right is a black telephone, a white container with pens, and a bottle of water. The desk is covered with various papers, including a notebook with sticky notes, and other items like a black cap and a crumpled piece of foil. A window with a white frame is in the background, showing a view of trees and a house. A radiator is visible under the window. On the wall to the left, there is a framed picture and some papers.
